

DOCUMENT SHREDDING

*Creating Employment Opportunities
for Pennsylvanians with Disabilities*

We can eliminate your documents beyond a shred of doubt.

Maxed out on storage space or simply want to dispose of documents that are no longer needed? UniqueSource clears the way by offering commercial and residential document shredding. This service is provided by our trained specialists and features HIPAA-compliant locked document containers for guaranteed security.

The services we offer include:

- Off-site Document Shredding
- Secure Storage Containers
- Customer-Scheduled Pick-ups
- Authorized Confidentiality/Non-disclosure Agreements
- Proper ID Presentation by Each Worker
- Certificate of Destruction Upon Completion
- Fully Insured Service

We have a unique mission for meeting your business needs.

Our services are provided by fully trained professionals with disabilities, and your contract with us helps provide employment opportunities for them.

Many studies have shown that employees with disabilities have lower absentee rates than their non-disabled coworkers and exhibit a more positive attitude in the work place. They're dependable and trustworthy.

That's why document shredding services from UniqueSource has gained a strong reputation among its customers for its commitment to quality.

What can we do for you?

Document shredding services provided through UniqueSource are available statewide. Contact us today to see how we can meet your needs.
